About Livigno:

Sitting right in the heart of the Alps, Livigno is the place to discover new winter sports: In Livigno, telemark skiing is living a second youth, freestyle has grown up and snowboarding found its first fans. Livigno has also hosted several editions of the Burton European Open, a top international event, which turned the resort into a real Mecca of snowboarding during the first years of the new millennium. The snow and ski areas are winter's main attractions as Livigno provides an extensive and modern ski-lift network to its guests. Today, with more than 115 km of slopes Livigno is a perfect choice for everyone, with or without a snowboard, to enjoy snow, shopping and après ski.

About Mottolino Fun Mountain:

Mottolino Fun Mountain is a skiing area of Livigno located in the Italian Alps. It is well known for its prime Snowpark, which has won several awards in Italy in recent years and is rated among the best ones in Europe: covering 120.000 m² (more than 30 soccer fields) constructed from more than 170.000 m³ of snow. Fun is at the bottom of almost any activity which has led to a great variety over time. Not only has Mottolino hosted the highest music concert in the Italian mountains, the Ice Party, it has also been the home of three editions of the Burton European Open, seven editions of Burn River Jump and many times of the World Rookie Fest. In 2015 Mottolino will host the legendary NINE KNIGHTS freeski event, which will take place already for the fourth time in Italy. The resort will provide enough snow for the shapers to build the massive, enchanted Nine Knights castle, which will remain in the beautiful mountains of the Mottolino skiing resort for a week.
